Raplee, who has been engaged in the watch and jewelry business, in this place, for the last two years, found it to be to his interest to remove from among us on Tuesday night last. We have no doubt his departure caused him much "uneasiness." but he had the consolation of knowing that he would long be remembered, inasmuch as he left behind him never-to-be-forgotten momentoes in the shape of rundry accounts, notes, &c., to the amount of from \$200, to \$400. On Wednesday orning, a large number of his "anxious," and niring" friends, met at his residence, accom-
